Un programma professionale completo ideale per gestire qualsiasi applicazione retail. Il parco ottiche esteso, le potenze e la versatilità che caratterizza ogni modello rendono la gamma UT una soluzione perfetta per ogni tipo di esigenza tecnica all'interno di uno spazio espositivo.

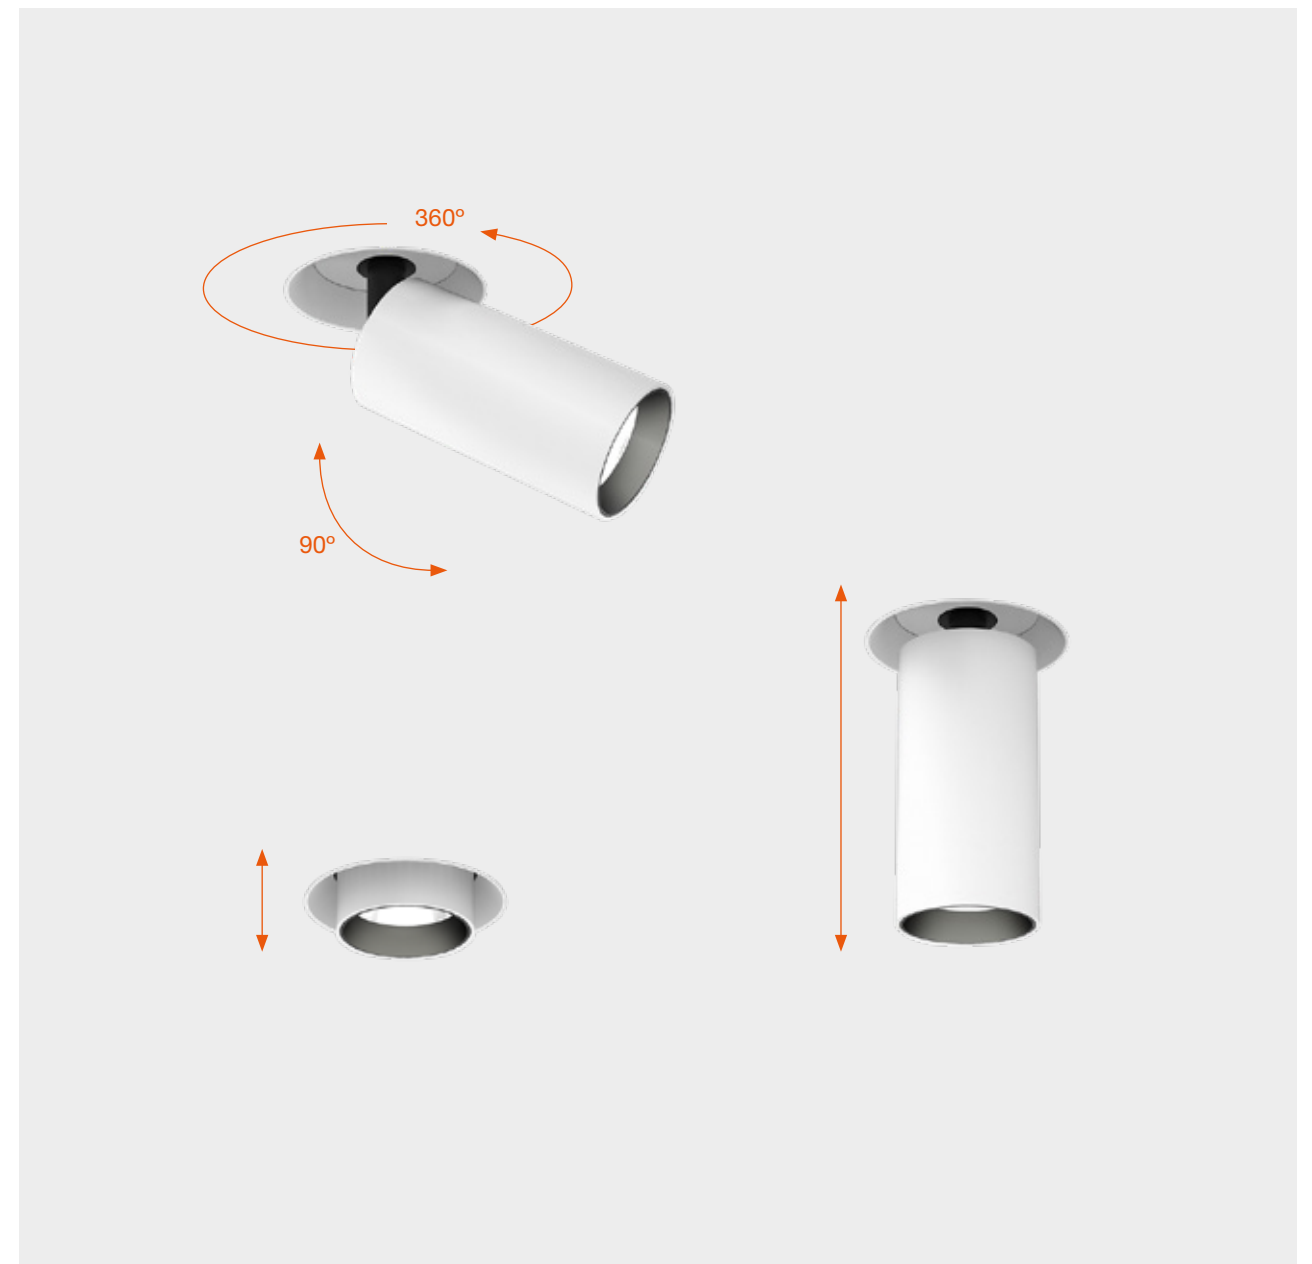

Complete professional program, ideal for controlling any retail application. The extended optics kit, powers and versatility that characterize each model make the UT range the perfect solution for any technical requirement of display areas.

Sistema di regolazione tramite una guida dentata che consente di nascondere i proiettori, integrandoli nell'ambiente.

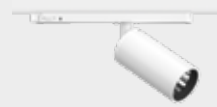

An adjustment system on a toothed guide permits concealing the spotlights, thus becoming integrated into the environment.
